25th Anniversary Celebrations

Preparations are in full swing for our 25th anniversary celebrations at the Downs Club on the 26th of October. If you have any photos or memorabilia that may be shown on the day please contact me.

Invitations have been sent out so if you have not received one please contact one of the committee people for details. If you know of any past members who may be interested in attending please let Janet or I know and we will get an invitation to them.

Glennie Pool reopens.

As a lot of you know the Glennie Pool has reopened for swimming again.

As the pool will be unavailable on the weekends it has been decided to stay at Centenary Heights Pool until all sessions are available at the Glennie pool.

The Tadpoles will resume swimming at Glennie starting Monday the 20th of October. Session times will be the same as before and are set out below.

A welcome back to Glennie **BBQ**

Breakfast will be held on November the 2nd after the Sunday morning session.

Melbourne Cup Sweeps will be available the 26th with horses being drawn at the breakfast.

Bronze Medallion Course

A Bronze Medallion Course will be carried out in early November. Please see the 'Safety Section' below for details.

Aerobics

Congratulations to the members doing their aerobics swims. Rumour has it mainly 400 & 800 swims have been done but a lot of the long distances are still to go. Well done, keep up the good work.

See you at the other end!!

Lou

*****Safety Matters*****

Bronze Medallion Course

As an on going commitment to club and community safety, a Bronze Medallion course will be held on Sunday the 9th of November at the Glennie Aquatic Centre. If you are interested please contact Stephen Mina (Club Safety Officer) or one of the committee members.

The course is at no cost to the club member but it would be expected for the member to stand on deck approximately once a month.

A Close Call

Two of our finest have just had a close call. Cecily Cooke and Bob Edwards both have had major surgery recently. The surgery for both of them was carried out just in time.

Both Cecily and Bob were told by their doctors that if it wasn't for being fit young things they probably wouldn't be here today to tell the story. So if you see them don't only give them your best wishes, congratulate them on being fit and getting over one of life's speed bumps.

They are pictured here with their medal haul from the 2007 State Short Course Championships.

Hopefully we will see you both back in the water as soon!!

Best wishes and a speedy recovery to both of you!!
